Is polling place lobbying allowed? Seems like this is a violation of election laws???!

When I went to vote at the Library, there were folks outside passing out flyers to vote yes.

WE NEED YOUR HELP TODAY!!

At last nightâs âtown hallâ meeting in skid row, the Department of Neighborhood Empowerment (DONE) representatives emphasized that the registration for this election will end on Sunday. United Downtown LA legal counsel Rocky Delgadillo is preparing a formal request that this deadline be extended.

Councilman Huizar made it possible for DTLA to vote online for this important election. We need him to immediately direct DONE to extend online voter registration.

Many eligible voters DO NOT YET KNOW about this election. No coverage by traditional media. The election is in five days. In three days, you will lose your ability to register and vote online if this deadline isnât extended.

Your voices made the difference last week. Letâs do it again!!
